FROM:

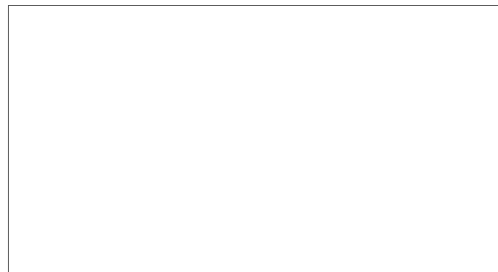

Deputy Director, Office of Legislative Liaison

STAT

SUBJECT: Proposed Legislative Program for the Second
Session of the 98th Congress

Attached for your information is the Legislative Program for the Second Session which is being submitted to the Office of Management and Budget. Many of the items included in the earlier draft were deleted since they are part of the Fiscal Year 1984 Intelligence Authorization Bill, which we expect the President to sign in the near future. We have also added the proposal to raise the Executive Schedule levels of the positions of the Director and Deputy Director of Central Intelligence as this provision was dropped from the Fiscal Year 1984 Bill in conference. A draft Fiscal Year 1985 Intelligence Authorization Bill will be sent to you shortly for your review and comment.
